The Right Medicine

The Charles Mayer Building got an \$11 million facelift in 2007. The former 1929 Akron Main Post Office located at 168 E. Market St., which is listed on the National Register of Historic Places, now goes by a new name — the Summa Center building. Renovation was completed October 2007, and the building now houses about 200 employees from Summa Enterprise Group, Ohio Health Care, Summa Health Network and various information technology and finance departments, says Mike Bernstein, public relations manager of Summa's corporate communications.
